Legendary writer J. Michael Straczynski teams with superstar artist ACO for a tale of bloody revenge. In THE MADNESS, Sarah Ross has been using her power as a thief, stealing from the rich and... well, keeping it. Until the day she stole from the wrong person, a highly placed official who pressures the government to assassinate her. The plot, aided by so-called "good" superheroes sponsored by the government, misses her but wipes out her family. Driven mad by grief, and laser-focused on revenge for the murder of her family, Sarah and a hidden side of her personality–an imaginary friend who may be more real than she believes–goes after these superpowered operatives determined to take her revenge, at any cost.

Kill Bill meets *The Avengers* in this superhero revenge epic.

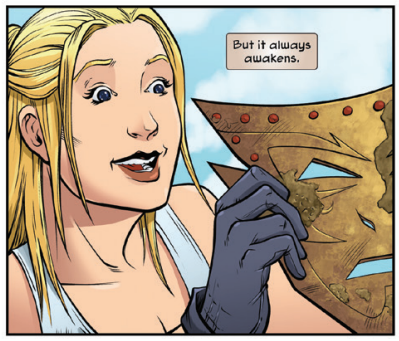
Ahhhhhh!
AII-AHHH!
Evil never dies.

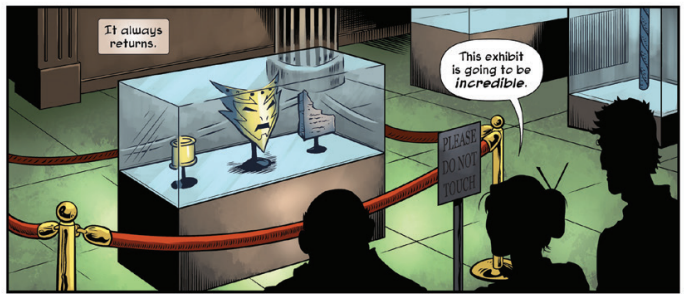
It may falter . . .

Or wait.

It may even sleep.

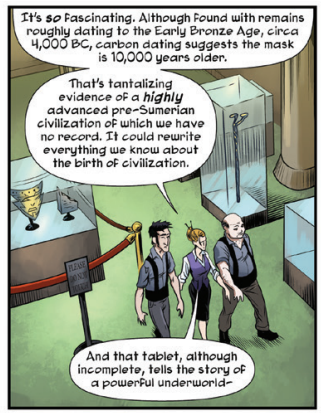


But it always awakens.



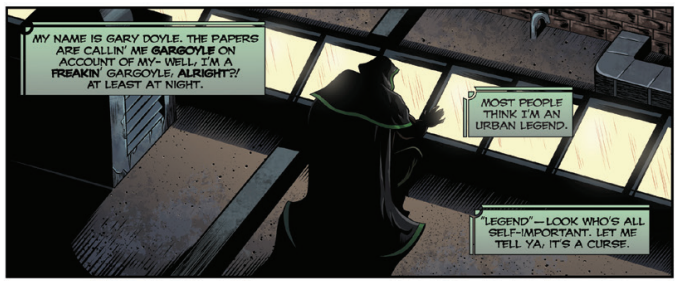
It always returns.
This exhibit is going to be incredible.
PLEASE DO NOT TOUCH

And this Serpent King mask is the show stopper.
Okay, I think that's it, doc.
Oh, right. Thanks for staying so late, guys.

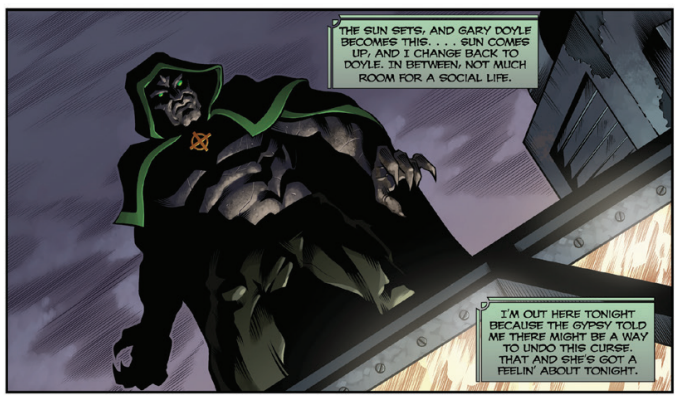


It's so fascinating. Although found with remains roughly dating to the Early Bronze Age, circa 4,000 BC, carbon dating suggests the mask is 10,000 years older.
That's tantalizing evidence of a highly advanced pre-Sumerian civilization of which we have no record. It could rewrite everything we know about the birth of civilization.
And that tablet, although incomplete, tells the story of a powerful underworld-

But I'm boring you.
No, no. It's fascinating, like you said.
Yeah, right, doc, fascinating.



MY NAME IS GARY DOYLE. THE PAPERS ARE CALLIN' ME GARGOYLE ON ACCOUNT OF MY- WELL, I'M A FREAKIN' GARGOYLE, ALRIGHT?! AT LEAST AT NIGHT.
MOST PEOPLE THINK I'M AN URBAN LEGEND.
"LEGEND"—LOOK WHO'S ALL SELF-IMPORTANT. LET ME TELL YA, IT'S A CURSE.



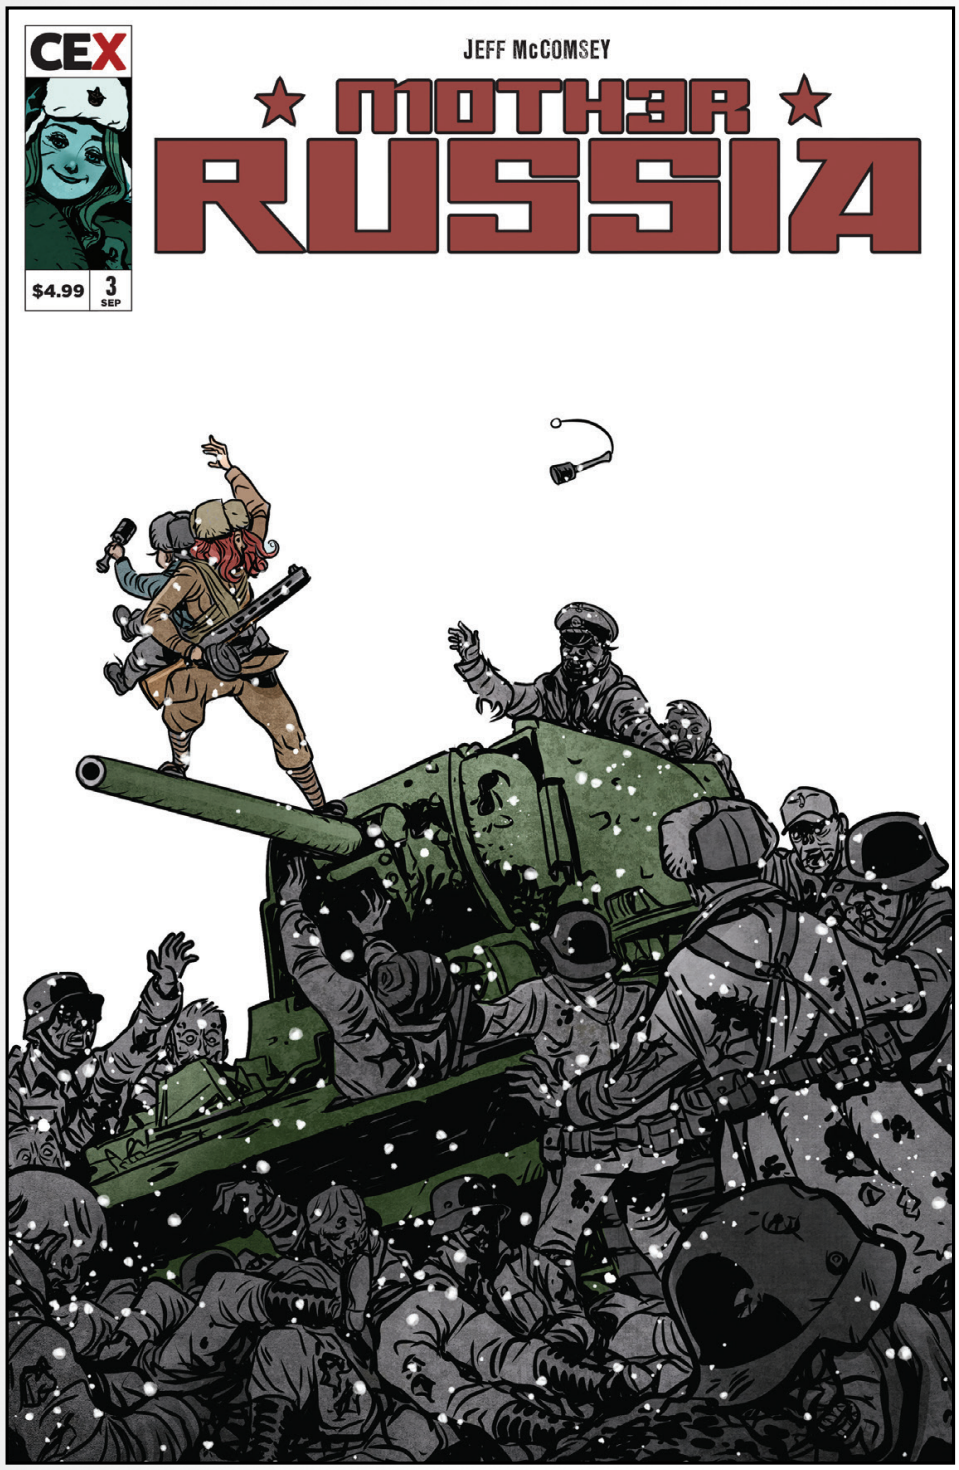
THE SUN SETS, AND GARY DOYLE BECOMES THIS. . . . SUN COMES UP, AND I CHANGE BACK TO DOYLE. IN BETWEEN, NOT MUCH ROOM FOR A SOCIAL LIFE.
I'M OUT HERE TONIGHT BECAUSE THE GYPSY TOLD ME THERE MIGHT BE A WAY TO UNDO THIS CURSE. THAT AND SHE'S GOT A FEELIN' ABOUT TONIGHT.

THE LAST TIME SHE HAD ONE O' HER FEELIN'S, I ENDED UP GOIN' SIX ROUNDS WITH SOME KINDA FREAKY ALLIGATOR MAN IN THE SEWER. NOT THE KINDA THING YOU WANT TO DO AGAIN.
BUT I'D DO JUST ABOUT ANYTHING—FIGHT ANYONE—TO BE RID OF THIS CURSE.

What?

Who's there?!

MOTHER RUSSIA #3 (OF 3)



It's a Ballroom Blitzkrieg in the streets of Stalingrad as Mother Russia fights her way through a sea of undead while a toddler is strapped to her back. The odds are a million to one and that's the good news.

Cartoonist and animator Derek M. Ballard makes modern American family comics. It's not his fault that being a single parent in America is kind of a nightmare.
Derek is a solo parent raising three kids in the American South, while trying to make art. Told in a series of free-flowing and often hilarious comic essays, Cartoonshow gets to the heart of the struggle to be a creative person in a society that doesn't value anything other than how much it can grind out of you. Covid, poverty, the failing social safety net, predatory lenders, and literal acts of God can't stop our hero! "I laughed and cried, y'all these are the real $@#% journal comics. Drawings that could slay a dragon. Every punchline a funny knife in your eye." - Pendleton Ward

What does the perfect song sound like? Normally, Malcolm Kid wouldn't give this type of question the time of day. As a straight-B student with a heart of copper, he is far more concerned with overcoming mediocrity than he is with achieving perfection. But that all changes when he stumbles across the LK-2000—a strange keyboard cursed with the soul of an old jazz musician. Malcolm soon learns that the only way to free this musician's soul is by performing the perfect song. With much hesitation, and the help of his lifelong friend January Young, Malcolm embarks on a musical journey across the city of New Bronzeville in the hopes of discovering the perfect song and finding himself as a musician along the way.

A leafy plague afflicts all but the most privileged, and it never stops raining. Our hero, Otso, is a self-sufficient stoner wizard bear who comes to understand community and camaraderie when she arrives in Soggy Landing. A battle between the haves and the have-nots is coming to a head, and Otso and her friend Slipper join the revolutionary group the Broken Wheel in an uprising against colonial forces controlling the magical island.

The world of Soggy Landing is a densely populated island town filled with many interconnected communities sharing a rich, deep, creamy mythology. There's mystery, danger, politics, and conflict, but also wonder, whimsy, and sex. It combines historical fiction with magical fantasy to explore a post-global war community pitted against robber barons and diabolical cults.

Spanning several decades of the American experience, One Bourbon, One Scotch, One Beer tells three tales of Hooker's storied life through the perspective of those who lived within his massive orbit, weaving textured and interpretative stories that rise to the lofty creative heights of his music and fall to the gritty reality of trying to thrive in several unforgiving eras.
